感言：

It is truly an honor to be selected as a distinguished alumna of Chong Ming Junior High School. I am surprised and overwhelmed with joy to receive this wonderful news. Curious and naive, I stepped into the Chong Ming campus for the first time when I was 11 years old. I still vividly remember the white architecture of the school and the green trees that surrounded it. This is the place that shaped me. I believe that my passion for art is not only influenced by my family, but also subtly enhanced through education. I still remember the moment that I fell in love with the drama classes. Expressing various emotions while acting with my classmates, I felt free and powerful. Since then, I discovered the connection between painting and acting, as well as how they both allowed me to embrace multiple identities.

Thank you very much to the school principal, administrators and teachers for giving me such a precious opportunity to become the first annual distinguished alumna. I will continue to hold up the standards of a 誠、樸、勤、公 individual.
