

National Taiwan Normal University

International Baccalaureate Educator Certificate (IBEC) Programme for In-service Teachers

Introduction

This all-English programme aims to engage in-service teachers in the exploration of contemporary educational theories and IB education, empowering them to effectively respond to the needs of bilingual education and inquiry-based learning.

Enrollment Limit

30 students
per class.

Application Qualifications

In-service teachers working in primary or secondary schools or those who have at least one-year teaching experience at primary or secondary schools. Relevant certifications are required.
