

# Sparking leadership for a sustainable future

[naaee.org/ee30under30](http://naaee.org/ee30under30)

**NAAEE's EE 30 Under 30 recognizes outstanding leaders from around the world who are using environmental education (EE) to create stronger, healthier communities.**

To address today's complex challenges, we need a diversity of perspectives, skills, and experiences, which is the power of this program. EE 30 Under 30 celebrates the unique and passionate leadership of talented young leaders around the world and gives them a professional boost to increase their impact.

**We do this through:**

### Community

Learn and network with the EE 30 Under 30 community and other EE leaders

### Recognition

Gain credibility and confidence to scale up their work

### Professional Development

Build the skills and technical support they need to expand their impact

### Funding Opportunities

Opportunity to apply for Changemaker grants to bring transformational ideas to life

Sparking leadership for a sustainable future

### About NAAEE

For five decades, NAAEE has been a leader in promoting excellence in environmental education throughout North America and around the world, with members in more than 30 countries. NAAEE and its 56 state, provincial, and regional affiliate organizations in the United States, Canada, and Mexico have more than 20,000 members. NAAEE’s mission is to advance environmental literacy and civic engagement using the power of education to create a more equitable and sustainable future.

We are grateful for **Wells Fargo**, the **Global Environmental Education Partnership**, and the **U.S. Forest Service** for their generous support of the EE 30 Under 30 program.
