All of them were very happy, especially Debbie because she got many gifts. The most special gift was from her parents. It was a cell phone. Both her parents thought she was old enough to have one. But they told Debbie how to use it wisely and properly. Here is some of their advice:

1) Talk on it only when it is necessary or urgent. Never chat with your friends on it because it costs a lot of money.

2) In order to save its battery, turn it off as soon as you get home from school.

3) You have to pay the phone bill yourself.

4) Treat it the way you do your pet dog. You can buy some decorations for your cell phone and make it look cute.
