

文元國小英語校園導覽競賽基本介紹內容 - 【高年級組】

Wunyuan Eye

The Wunyuan Eye is the main campus area of Wunyuan Elementary School. At the center, there is a small garden in the shape of an eye with the school's name, "文元", written in large red words. Directly behind these words is a wall art of a nature scene with birds and deer.

The building behind has unique curved balconies decorated with long banners showing photos of students participating in various school activities.

Several photos highlight the achievements of the school's sports teams, such as the archery, track and field, rollerblade, and basketball teams.

Other photos celebrate the school's strong music bands during concerts and competitions.

Still other photos represent happy moments from class activities and award ceremonies.

These colorful banners show that Wunyuan students are very active in both arts and sports.

In front of the garden is a bright blue sports court, which students use for games and exercise. The entire area forms a lively and happy place for children to learn and play.
